

# Orbit GT Signs Smart Mapping Deal with Singapore Land Authority

Orbit GT and the Singapore Land Authority (SLA) has signed a strategic and comprehensive deal at the Belgian Ambassador's residence in Singapore.

"Orbit GT is honoured to be chosen by the SLA to provide the Singapore's Whole of Government (WoG) with 3D Mapping software solutions", says Peter Bonne, CEO of Orbit GT. "Our gratitude goes to the leading visionaries at the Singapore Land Authority and our Orbit GT local partner GPS Lands."

This deal will allow SLA to access a large amount 3D Mapping content in a click. Served using Orbit GT's 3D Mapping Cloud, imagery and point cloud data, as well as other 3D content, will become available for Singapore's agencies to view, share, process, extract,

operate and integrate 3D mapping data.
