

GeoEye 2011 Conference Call

GeoEye (USA) has announced its first-quarter conference call and webcast for investors and analysts to be held on Tuesday 10th May 2011, beginning at 8:30 a.m. EDT. The call will include a review of the first quarter 2011 financial results, a discussion of the company's operations, and an update on the outlook for fiscal 2011.

The conference call will be hosted by GeoEye's senior executives, including:

- Mr Matthew (Matt) O'Connell, president and chief executive officer
- Mr Joseph (Joe) Greeves, executive vice president and chief financial officer
- Mr Randall (Randy) Scherago, vice president, Investor Relations

To participate in the call via phone, domestic callers may dial toll free at (877) 776-4039. International callers may dial (631) 291-4808 approximately 10 minutes prior to the start time. Callers may identify themselves to the operator as GeoEye conference call participants or by using the conference ID number: 55951526. Questions will be accepted from phone participants during the live call after prepared remarks and as time permits.

The conference call will also be webcast on the "Investor Relations" section of the company's corporate website, www.geoeye.com. To directly access the live webcast go to: www.geoeye.com/CorpSite/corporate/investor-relations/Default.aspx and click on the "May 10, 2011 Investor Update Webcast" link. Please allow 15 minutes before the scheduled start time to register, download and install any necessary audio software.

An archived webcast of the conference call will be available at the same URL address approximately two hours after the conclusion of the call. An audio replay of the first quarter conference call will be available through midnight 17th May, 2011, by dialing 1-800-642-1687 and typing in the conference ID number: 55951526.
