

# Price of Following the Football Competition on the Map

What are the prices of season tickets (lowest and highest), match day tickets (home and away, lowest and highest), shirts, a pie, a cup of tea, for the UK football clubs? They have been compared for the 2016 season by the BBC calculating the cost of following your club during the the competition. CadCorp has collected all data and [made them accessible on a map](#).

Every year, the [BBC calculates the cost of following the clubs](#) throughout the leagues during the competition. These data now have been mapped. [On the map](#), press the 'hamburger menu' top-left and you open a menu to select the league you want to have displayed; 'Local knowledge' shows the prices for the club you select – and other clubs close to the club. You also can search for clubs and then find out about the details using

the menu.
